OMG it's full of patterns

ME I'm a senior (15+ years exp) full-stack-ish developer.
Husband and father of two.

SKILLS The ecosystem I know better is **Ruby** (and **Rails**) but I'm also proficient in:

- ◆ [no-]SQL DBMS
- ◆ JavaScript
- ◆ HTML & CSS
- ◆ Linux

INTERESTS Techs/skills I'd love to use/learn better are:

- Rust, Elixir, ReactJS
- DevOps
- Accessibility
- Design
- Efficient team communication

EXP I worked for **small, mid and large companies** located in Italy, EU and US.

I worked as the single developer as well as a member of **small, mid and large teams**.

I work remotely since 2011 and I'm a huge fan of remote-first collaboration workflows.

LANGUAGES **Italian:** native language.
English: proficient in reading, writing and speaking.
